Your bundle + how to start tonight

Welcome to Penny Path. Here's everything in your bundle and how to start tonight.

Start in 3 steps

1. Print the sheet that fits your goal (start with the \$5,050 game). Color or ink-saver - your choice.
2. Fill box #1 tonight: set aside \$1 (cash in an envelope, or move it to savings and color the box).
3. Come back each day or payday and fill the next box. Watch it grow.

What's inside your bundle

Core. The 100-Day \$5,050 Money Game - color and ink-saver versions.

Big goals. \$10,000, \$20,000 and \$50,000 trackers for when you're ready to level up.

Your pace. Bi-weekly payday plan and weekly plan - match it to how you get paid.

Together. Couple's & Family sheet - print one each and race to the goal.

Bonuses. Found Money Cheat Sheet (27 ways to fund your envelopes) and the Never-Quit Streak System (get to day 100).

Lifetime access

This bundle is yours for life. Re-download it anytime from your confirmation link, print as many copies as you want, and any new sheets we add are yours free - no subscription, ever.

A quick honest note

These are printable budgeting tools to help you build a saving habit. They are not financial advice, and how much you save depends on you. Follow the game for 30 days - if you haven't saved your first \$100 or you simply don't love it, reply to your receipt for a full refund and keep every file.
